

# (1) 4-Channel Wireless Camera System

**FEEL SAFE ANYTIME WITH**  
CANAVIS 4CH 720P Wireless Security Camera System

**WIRE FREE**

Indoor Outdoor

With obstacle:  
350ft

In open space:  
1000ft

**TRUE PLUG AND PLAY**  
2.4GHz wireless transmission  
Cameras and NVR is pre-connected, no need any more setting

**EASY REMOTE VIEW**  
Support Android/iOS/PC Remote view

iPad iPhone PC Laptop

- 1 install APP
- 2 input Device ID
- 3 View Camera

**REMOTE PLAYBACK ON MOBILE**

**System Model Name:** CA-WL4CH672IP1M / CA-WL4CH672IP1.3M / CA-WL4CH672IP2M

## Key Features

### \* No hassle for connection

No need wires for signal transmission. Just plug in cameras to a nearby power source, you'll be able to monitor what is happening around your house.

### \* Intelligent Recording

You can set up specific time recording, motion detection recording or alarm recording for saving hard drive storage.

### \* Smart Notification Alerts

System will send push alerts to your cellphone app or email when unexpected motions are detected. You can customize motion detection area and schedule the time period for receiving alerts.

### \* Remote Viewing & Multiple users

You can remote view live videos with a smartphone, iPad, PC and HD TV(Support IOS and Android system). And you can also share this system videos to your family members.

### \* Whole\*day Monitoring

36pcs of infrared LEDs and its high-sensitivity illumination sensor, ensure system's image super clear even at night, monitoring your house 24 hours/day.

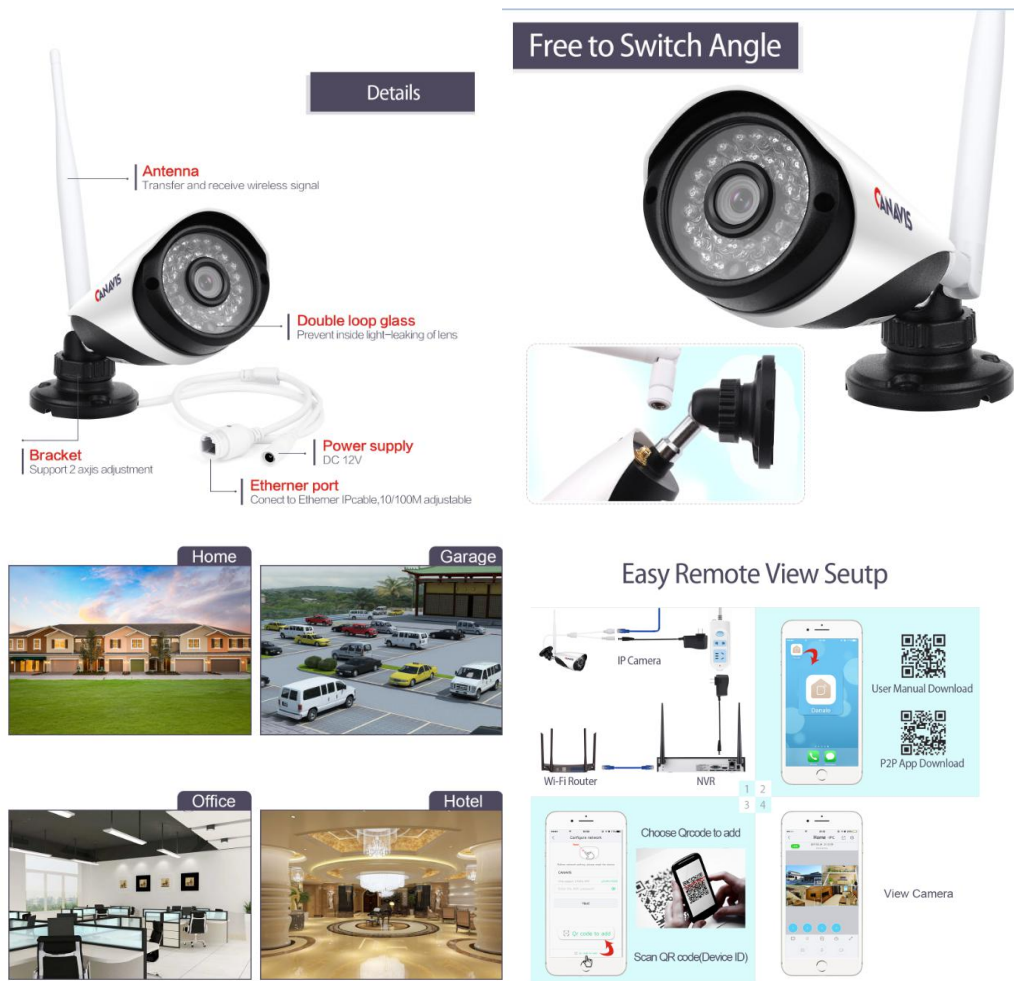

## Specifications:

System Type	NVR Specification	Camera Specification	What's Included
<b>4-Channel 720P Wireless Camera System (CA-WL4 CH672IP1 M)</b>	*4channel 960P wireless Network video recorder *Built-in WIFI Module with high*performance and high stability *Automatically connection between NVR and IPC *Support video preview/recording/playback/USB backup *Support the mixed use of wireless and wire,support difference scene *Support Android/IOS/PC Remote view *Get Instant email alerts if motion detected *Support 1 SATA port, up to 4TB each, 1 USB 2.0 port for operation of mouse control, back up, upgrade	* Image Sensor:1.0 Megapixel 1/4" CMOS Progressive Scan Sensor * Resolution : 1280(H)*720(V) * Lens: 3.6mm *36 LEDs with IR-CUT function * Night Vision: 100ft(30m) * Weatherproof: IP66	1 PCS * 4CH 960P Wireless NVR 4 PCS* 720P Wireless IP cameras 4 PCS *12V/1A Adaptor for IP camera 1 PCS* 12V/2A Adaptor for NVR 1 PCS* IR Mouse No include hard disk. Internal SATA 3.5" HDD is compatible
<b>4-Channel 960P Wireless Camera System (CA-WL4</b>	*4channel 960P wireless Network video recorder *Built-in WIFI Module with high-performance and high stability *Automatically connection between NVR and IPC *Support video preview/recording/playback/USB backup	*Image Sensor: 1.3 Megapixel 1/3" CMOS Progressive Scan Sensor *Resolution : 1280(H)*960(V) *Lens: 3.6mm	1 PCS * 4CH 960P Wireless NVR 4 PCS* 960P Wireless IP cameras 4 PCS *12V/1A Adaptor for IP camera
